M-TIP Testing Assessment

By assessing the M-TIP Test Report, Global Payments has found reasonable evidence that the chip terminal configuration, referenced as "Product", has been tested against the Specification References to be deployed in the above mentioned Countries of Deployment, according to the below listed terms, under the assumption that the terminal will be connected to an infrastructure compliant with the above mentioned protocol and that the Terminal vendor is a Mastercard registered entity.

Any change to the Product must be notified to Global Payments. Upon Global Payments request, the Terminal vendor shall (i) provide information related to changes to the Product and (ii) run the latest Field Interoperability tests and/or additional Mastercard specified tests. Failing to comply with such notification or request(s) may result in this Letter of Approval to be terminated by Global Payments.

Specific Terms	
Waiver(s)/Variance(s)	None
Warning(s)	None
Restriction(s)	N/A

In no circumstances does this Letter of Approval constitute any representation or warranty express or implied regarding the functionality, quality or performance of the Product or of any other product or service provided by the Acquirer, including, without limitation, any implied warranties of merchantability, fitness for purpose, or non-infringement, all of which are expressly disclaimed by Mastercard. In no event shall Mastercard be liable for any special, collateral, incidental or consequential damages or loss of business or profits in relation to this Letter of Approval. All rights and remedies regarding Acquirer's products and services for which Global Payments has granted this Letter of Approval are the responsibility of the party supplying such products or services and not Mastercard Incorporated or its subsidiaries and affiliates.
